DWAYNE BURNS ASKS MISSISSIPPI TO "GROW AND GLOW IN EXCHANGE"!

S. Kim Hodges, Region 4 Vice President, installed Dwayne Burns as the 80th President of the Mississippi District Exchange Clubs on Saturday, June 3rd during the Annual District Convention in Vicksburg. Dwayne has adopted the theme of "Grow and Glow in Exchange" in keeping with his personal beliefs that the more we "Grow", and are educated in Exchange, the brighter we "Glow", and reflect the true meaning of Exchange.

Mississippi District President Dwayne Burns receives the gavel symbolic of leadership from National President Gerald Franklin

Dwayne was educated in the public schools of Pike and Lincoln Counties and was graduated from the Mississippi Law Enforcement Officers' Training Academy. He served with the Mississippi Highway Safety Patrol from 1973 until his retirement in 1996. Dwayne has been very active in the ideals of Exchange since first joining the Brookhaven Club in 1993. He has been a Distinguished Club President, a Distinguished District Director, and he has served as a Club Builder for the Bogue Chitto Exchange Club of which he is a Charter member. Dwayne truly believes in God, Country, family, and Exchange.

Dwayne's wife, Judy, is also an active Exchangite. She served as a New Club Builder and Charter President of the Bogue Chitto Club. Judy plans to help her husband in his endeavors to "Grow" the Mississippi District during the upcoming year.

PRESIDENT'S MESSAGE

My Fellow Exchangites:

I want to thank Lynn Rivere, Immediate Past President of the Mississippi District, for his dedication and hard work throughout his term of office. Congratulations on a job well done.

It is quite an honor to have been given the opportunity to serve as your President this year. As I reflect on the list of Past Presidents and other great leaders who have been a part of our District, I have a very humbling feeling. My promise to you is only that I will do the very best I can and I will seek God's guidance and your constructive criticism so that together we can continue this positive trend we are in. Together we can improve our individual Club's effectiveness in our communities.

What an opportunity before us! We are beginning a new century of service and the sky is the limit. I am overjoyed to be a member of this organization. It seems such a short while ago that my sponsor, Mr. Kenneth Warren, asked me to visit the club, enjoy a free meal, and see if I would like to be a part of the club. Do you remember that moment in your life? Thank your sponsor for caring that much about you. It is our duty and obligation to "pass it on." Ask wives, husbands, other friends and co-workers, or anyone who is an "individual of good character and community standing" to join our fine organization. According to the bylaws of the National, District and Local Exchange Clubs effective July 1, 1999, Article IV, Section 1, this is the only requirement for membership.

Those of you who were in attendance at our recent District Convention know I support diversity in Exchange. I will not, as I expect of others, attempt to force anyone to think as I do. For those of our District who were not at the Convention, I wish you to know how I feel. By diversifying our Club's membership, we do three things: we expand our services to a wider community, we make our Clubs look more like our communities, and we offer leadership and personal development opportunities to more individuals. Why diversify? To expand our membership and provide more hands to do the work and because it is the right thing to do.

We now have 40 clubs in the Mississippi District. There is plenty of room for growth, as there are 55 of our 82 counties in this state without an Exchange Club. We need to get serious about new club building. Just think of the people in those 55 counties who do not have access to our programs nor the comradeship we do as an Exchange family. I have made a commitment to National to build at least 4 clubs this year. This can easily be achieved.

However, that could still leave us with 51 counties without Exchange. We can and must spread the word to all 4 corners of our great State about child abuse, patriotism through our Americanism Programs, just plain old' being good neighbors through our Community Service Programs, and giving our children the guidance they are begging for through our Youth Programs.

"The Traveling Gavel." What is it and where is it? The Mississippi District's first Traveling Gavel was put into service at the Exchange Club of Bogue Chitto's 4th of July Family Day when it was presented to the Exchange Club of Madison County. It is a "Mallet on Miracle Grow" if you will. It is a large gavel turned from red oak stock and its purpose is to help get our members visiting other clubs more and to promote Unity for Service. The gavel will stay with a club until someone (including District Directors) from another club visits and takes it to their home club. A tracking book will go with the gavel so we can determine its movement throughout the District. I encourage you to visit your neighbor club, even if the gavel is not there. We can get new ideas and share ideas as to how we can better serve our communities. After all, that was the original purpose of the organization when it was formed in Detroit, Michigan, in 1911.

I thank each one of you for the contributions you have made toward our goals. We need each of you. Feel free to contact me if there is anything at all I can help you with. To the members with "extensive experience," please offer to help our younger members and leaders. Use your knowledge to help us keep this great Club going forward. I am grateful to each of you for giving me the opportunities of this coming year.

Grow and Glow in Exchange,

Dwayne E. Burns
Mississippi District President

NATIONAL PRESIDENT'S MESSAGE

(The following is an open letter to District President Dwayne Burns and all members of the Mississippi District.)

Greetings to you, your fellow District Officers, Directors, Committee members, the assigned member of the National Board of Directors and all of your fellow members of the Mississippi District Exchange Clubs. By now you have completed the fun and the serious parts of your District Convention. You and the new and holdover members of the District Leadership team are about to begin the new year. To those of you who were newly elected to a district office, please accept my congratulations on your election. To those of you beginning a new term of an existing position, let me say thank you for a job well done last year. To those who have accepted committee chairs or membership, please know that the position you have accepted is as important as any in the district! To all of you, please realize that the future of the district is in each of your hands! The members of the district have elected some of you, and the new District President has appointed others. If my challenge to the new District President has been followed, then each of you know exactly what your job responsibility is, have the tools to do that job and, like me, have made a *commitment* to do the job to the very best of your ability!

Now comes the fun part. By now you have heard that our slogan for the 2000/2001 year is "*Ignite the Excitement.*" I believe that there is an undercurrent of excitement in America today, and there is no better organization than *EXCHANGE* to light the fire of involvement in and service to each of our communities in the United States and Puerto Rico. Now is the time to plan the events that your clubs will be participating in this year and to begin making a list in each club of the potential new members who will be invited to learn about Exchange, be invited to join and become involved in our many fine projects.

Remember that education about the "product" (Exchange) is essential if your sales force (Exchangites) is to be successful! **MAKE SURE THAT EACH MEMBER IS ABLE TO SAY WHO AND WHAT WE ARE!** If nothing else, make sure they know that we are a group of men and women who have a goal to see that "*At the end of each day, our community or someone in it, is better than the way we found it or them at the beginning of the day.*" Whether the help comes from a Community Service, Youth or Americanism project, or if we score a success in breaking the insidious chain of child abuse or neglect, we will have made a difference--- **AND THAT'S WHAT COUNTS!** And, be sure to publicize the things that you do. The old adage that "Exchange is the best kept secret in America" should be put to rest once and for all!

Go forth with the idea that you and your club **ARE GOING TO MAKE A DIFFERENCE, AND THAT YOU ARE GOING TO SHARE THAT OPPORTUNITY WITH YOUR FRIENDS, NEIGHBORS, BUSINESS AQUAINTANCES AND OTHERS IN YOUR HOME TOWN!**

Please ensure that your members know that the District and National Leadership team, which includes every member of our national staff in Toledo, is ready, willing and able to help in any way necessary. My dream for Exchange is that we are to become not just "*America's Service Club,*" but "**THE NUMBER ONE SERVICE CLUB IN AMERICA!**" I hope that each of you will share my dream, and help us to make it come true. Join with me in *Igniting the Excitement that is EXCHANGE!*

Yours in Unity for Service,

Gerald Franklin
2000/2001 National President

CLINTON POM'S BEFORE CONVENTION

Club builders Jim Chance of the Byram Club and Luther Roan and Jennifer Wilkinson of the Leavell Woods Club conducted the Permanent Organizational Meeting for the Noon Exchange Club of Clinton on June 27, 2000, at Shoney's Restaurant in Clinton. Twenty-one new Exchangites have joined our ever-increasing Exchange family. The Clinton Club will be headed by Marvin Barlow, Charter President; Sammy Warman, President Elect; Avie Cain, Secretary; and Faye Russell, Treasurer. The Board of Directors includes Janice Taylor, Darlene Edwards, Lillie Naylor, Carola Montgomery, Delbert Avritt, and Donnie White. National VFR Ken Sullivan conducted the ceremony.

Best wishes, Clinton, for much success in all your endeavors. The Mississippi District is proud to have you join us and we are looking forward to great things in the years to come.

INTER-CLUB MEETINGS

Plans for this year's Inter-Club meetings are being made. Three clubs have made commitments to host their meetings: Gulfport will host Division IX on Friday, February 2, 2001; Monticello will host Division VII on Saturday, February 10, 2001; and Cleveland will host Divisions I, II, and III on Saturday, February 17, 2001. If your club would like to host the Inter-Club Meeting in your area, please contact District President-elect Bettye H. Galloway at 5 Industrial Park Drive, Oxford, MS 38655, telephone 662-236-2609, or e-mail bgalloway@watervalley.net.

GET OUT THE VOTE

The National Exchange Club and U.S. Junior Chamber of Commerce (Jaycees) are joining forces to encourage Americans to "Get Out the Vote." Through the Get Out the Vote program, Exchange Clubs and Jaycee chapters throughout the country will combine efforts in their communities to educate and encourage people not only to register, but also cast their vote on election day.

Get your club involved and start making plans now to participate in this all-important program. Remember that Americans are given the freedom of choice---to choose which candidate to elect or whether to vote at all. An alarming number of citizens are choosing the second option, leaving only a handful of people to decide who will run our country. DO YOUR PART-----

Happy 75th Anniversary

REFLECTIONS IN EXCHANGE

What a wonderful and exciting finish to a great Exchange year in the Mississippi District! For those who attended the District Convention in Vicksburg, I know you were excited about the great convention hosted by the Vicksburg Club. Tim Sumrall and all the Vicksburg gang are to be commended for such a great job.

After the Excitement of the District Convention, it was on to Phoenix for the National Convention. Mississippi was well represented by Exchangites from across the District. Several of those Exchangites were "First Timers" too, but I figure they have caught the fever of a National Convention.

Mississippi walked away with many honors-- Lynn receiving both the Star District President and the Distinguished President awards. We had several Distinguished District Directors, Distinguished Club Presidents, Exchange Rangers, and Ranger Clubs. It was my privilege to be named Regional Vice President of the Year again this year, as well as being re-elected to serve you for another term as your Regional Vice President.

What am I saying here? Very simple. It is not an individual effort, it is a team effort, and for all that the Mississippi District was able to accomplish last year, everyone played a vital part!

So, what do we do for an encore? We continue on just as we did last year. If Mississippi is to again stand out in Greensboro, we as a team of Mississippi Exchangites will have to pull together to accomplish the task. It's not a one man or woman job, and if any of us think that it is, we are doomed already.

So roll up your sleeves, get those projects going, ask someone to join your club, let's all do our best as we reach for the stars and "Ignite the EXCitement of Exchange" throughout this great District in the year ahead!

Yours in Exchange,
