BETTYE H. GALLOWAY FIRST WOMAN PRESIDENT-ELECT OF THE MISSISSIPPI DISTRICT

Bettye Galloway, District President-Elect, is no stranger to Exchange. Bettye has been actively involved in Exchange since the early nineties. Beginning her involvement by serving on various program committees in her home club of Oxford, Bettye continued by serving on the club Board of Directors and later by serving as Club President. She was named Outstanding District

Club President and National Outstanding Club President during her term in office. Bettye's commitments to the ideals of Exchange continued as she served the Mississippi District as District Director of Division I for two years. She was named National Distinguished District Director for both years. After serving her second term as District Director, Bettye was elected to the office of District Secretary. She fulfilled the duties of this office as well as being Editor of the Mississippi *Exchange-O-Gram* for two years. National recognized Bettye's excellent work on the *Exchange-O-Gram* by presenting her with the National Judges Award and plaques both years. At this past year's National Convention in Phoenix, National President Bob Harb presented the Presidential Exchange Award to Bettye. Bettye was a guiding force in the recently established Ole Miss Collegiate Exchange Club at the University of Mississippi. This club, with Bettye's dedication and determination, chartered with 75 members.

Bettye and her husband Roy have been married for over 45 years and have one daughter, Leigh. Leigh and her husband Jim are members of the Grenada Exchange Club. Bettye is also blessed with two lovely granddaughters, Jackie and Julia.

Prior to retiring from state service in 1985, Bettye served in various positions with the University of Mississippi including managing the University's Personnel Office and serving as Coordinator of Annual Giving. She later worked at Northwest Community College where she established the NWJC Foundation and initiated their fund-raising efforts. Since her retirement from the state, Bettye has held her current position as Executive Vice President of an analytical laboratory in Oxford.

Bettye has proven herself to have the experience and knowledge to lead the Mississippi District in a business-like and professional manner. She promises to serve the District professionally and capably and to do everything in her power to allow the Mississippi District to proudly say, "SHE is our District President."

PRESIDENT'S MESSAGE

Greetings to all Mississippi Exchangites:

I trust that each of you is doing those things that drew you into Exchange with enthusiasm. Whatever it was that brought you into our family may also interest some of your friends and family---have you asked them? Can you imagine not having been asked and never had the opportunities we have had through Exchange?

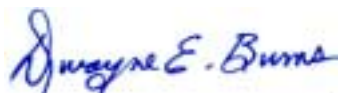

I have been receiving bulletins from several clubs and some of you are really doing your programs and projects. I am thrilled at that. Thank you! Please remember to send your information to National for credit as soon as the project is completed so that at the end of the year nothing will be forgotten. Any club that takes the time to volunteer in order to improve their community certainly deserves the credit and recognition.

Please plan to attend our Mid-Winter Conference on January 27, 2001, your respective Inter-Club meeting in February, and our District Convention in Grenada on May 31st through June 3rd. We need you! !

Take a look at the map included in the next column. Dark counties have existing Exchange clubs with the exception of Clay, Jefferson, and Walthall counties where club building efforts are underway. Can you find a location near you where there may be 20 people who would be interested in some of our programs?

Thank you---each one of you---for what you have and will do for Exchange. If I knew of a better group of folks who I wanted to be associated with, I would be there, but you are the "cream of the crop." You are whom I want to be known as one of. Who would want to be anything else but Christian, American, and an Exchange club member?

Grow and Glow in Exchange,

Dwayne E. Burns
Mississippi District President

- Mississippi Counties with Exchange Clubs

COVENANT OF SERVICE

Accepting the divine privilege of single and collective responsibility as life's noblest gift, I covenant with my fellow Exchangites:

To consecrate my best energies to the uplifting of Social, Religious, Political and Business ideals;

To discharge the debt I owe to those of high and low estate who have served and sacrificed that the heritage of American citizenship might be mine;

To honor and respect law, to serve my fellowmen and to uphold the ideals and institutions of my Country;

To implant the life-giving, society-building spirit of Service and Comradeship in my social and business relationships;

To serve in Unity with those seeking better conditions, better understandings, and greater opportunities for all.

QUICK QUOTES

We need a spirit of community, a sense that we are all in this together. If we have no sense of community, the American dream will wither.

President Bill Clinton

NATIONAL PRESIDENT'S MESSAGE

Dear Exchangites:

Happy holidays to you and yours!

During this special season, we in Exchange should take a moment to reflect on the joys and blessings of the holidays. I know that I am especially thankful for my many friends in Exchange, and for the unique opportunity to serve our fellow citizens through our many beneficial programs.

Due to my recent leg injury, I haven't been able to travel as much as I'd like. At the clubs I have been able to visit, I have been consistently impressed by the many remarkable ways in which dedicated Exchange Club members make a positive difference in countless lives. As we celebrate the holidays and look back on the year 2000, you and your fellow members can take justifiable pride in your accomplishments. And as we look ahead to 2001 and the challenges of the new millennium, I encourage you to continue Igniting the EXCitement of Exchange in your cities and towns. Help strengthen Exchange by recruiting new members, help your community by getting actively involved in service projects, and help yourself by continuing to develop your leadership skills through participation in club activities.

I am grateful too at this holiday season for the many prayers, cards, notes, calls and e-mails from members across the country during my convalescence. Your continued support and encouragement was an inspiration.

On behalf of the National Board of Directors, National Headquarters staff, Evelyn and myself, I extend sincere wishes for a joyous holiday season and a new year filled with peace, happiness and positive achievements.

Sincerely,

Gerald Franklin
National President

WELCOME ABOARD OLE MISS!

Walker, Secretary.

NATIONAL HOLDS VIDEOCONFERENCE

At the first-ever videoconference meeting of the National Exchange Club Board of Directors, National President Gerald Franklin of Houston, Texas, urged his fellow leaders to continue focusing on growth in the months ahead. He encouraged board members to lead by example, getting actively involved with their respective District Presidents and their ongoing growth efforts. Franklin also urged the leaders to promote the new Ready, Set, GROW membership program to clubs and districts across the nation.

The historic videoconference was held in Toledo, Ohio, and Houston, Texas, on September 23, 2000, as part of the board's fall meeting. National President Franklin, unable to travel due to a leg injury, was linked from Houston via interactive video and audio to the Toledo-based meeting. Board members traveled to the University of Toledo's downtown campus on University College for the one-hour videoconference, hosted by its Division of Distance Learning.

National President Franklin challenged the entire Board of Directors to earn the membership award by the January 2001 meeting. "We made a commitment," Franklin said. "We're all committed to see that this organization grows and becomes the premier service club in America."

Following the videoconference, the Board continued its meeting at National Exchange Club Headquarters.

“SOMEBODY GAVE IT TO ME”

The other day, I was looking around the house and found something I had not seen in quite a while. I remembered the day I first received this gift; I was glad to get it. I had wanted one for so long, and then one day all of a sudden I had one.

I thought some more about that gift, and just how I had obtained it. The best I could do was to say, “Somebody gave it to me!” What a friend, to give me one of just what I had always wanted; and now it was shoved in a drawer somewhere out of sight and out of use, and all I could remember was how excited I was when “somebody gave it to me.”

You know, in a lot of ways, our membership in Exchange is the same as that gift I was given by my friend; someone has to give us the opportunity to become a member of Exchange or it will never happen!

How excited we are when that invitation is given; there are so many things “I” can do now that “I” am going to be a member of my town’s Exchange Club.

There are projects to be worked on, education seminars to attend, children to help, senior citizens to help in looking after, or maybe those special education students could somehow enjoy my presence at their next function. What an exciting time; what an opportunity!

Almost as suddenly, reality sets in. “I really don’t have time to go to today’s meeting; there’s so much to do at work, and then all the stuff facing me when I get home.” Soon, it’s excuse after excuse, and before too long, that “special gift” that “somebody gave me” is of no value to me so I toss it in a drawer and forget about what could have been.

How many times do we as faithful members of Exchange see this situation played out before our very eyes? Do we in some way, even if it is a small way, play a part in the final outcome? Of course we do! We are the ones who extend the gift of Exchange; we are the ones who approach our friends and tell them how great an organization we belong to; and sadly, we are the ones who let our friends fall by the wayside because we refuse to give them guidance during their critical time in Exchange.

It has been said that first impressions are lasting impressions, and maybe that’s why we have a revolving door in Exchange. Maybe the first impression we present to that new member is not a pretty one, and they decide to get out before they get too deeply involved.

So what can we do to correct the situation? Very simply put, develop an interest in the gift you were

given in joining Exchange! If you value your membership in Exchange, others will see that value each and every day as you go about your daily routine. What’s the ‘ol song – “You can’t be a beacon if your light don’t shine?”

As we enter into the Holiday Season, remember it is more blessed to give than to receive. Let this holiday season be a beacon--- let your light shine so brightly that others will want to shine as brightly as you shine. Remember too, “somebody gave you the gift of Exchange,” and it’s your responsibility to pass it along to someone else.

Thank you Robert Perry, for giving me the gift of Exchange, and thank you Lord, for allowing me the opportunity to share this special gift with so many others!

Happy Holidays and Happy New Year!

Mickey Boyette
National Regional Vice President

Mission Statement

Exchange, America’s Service Club, is a group of men and women working together to make our communities better places to live through programs of service in Americanism, Community Service, Youth Activities, and its national project, the Prevention of Child Abuse.

DID YOU KNOW ???

The first local Exchange Club was formed in Detroit, Michigan in 1911. Charles A. Berkey is the man who is credited with the founding of this great organization. The second was the Exchange Club of Toledo, Ohio formed in 1913. Subsequently, two others were organized in Grand Rapids, Michigan and Cleveland, Ohio. These four clubs were the first to be chartered by The National Exchange Club after it was organized as a nonprofit, educational organization in 1917. Since then hundreds of clubs have been chartered in the United States and Puerto Rico. The National Exchange Club headquarters is located in Toledo, Ohio. Our chief objective is to help Exchange Clubs realize their full potential of community service.

NEWS FROM AROUND THE DISTRICT

NORTH JACKSON AND MADISON COUNTY REDEDICATE FREEDOM SHRINE

In a combined effort, the Exchange Clubs of North Jackson and Madison County rededicated the Freedom Shrine at Northpark Mall. The North Jackson Club had previously dedicated the Freedom Shrine to Northpark Mall. This mobile display will now be taken around to all the schools in Madison County by members of the Madison County club in an effort to educate our youth about their American heritage. Great things can be accomplished when clubs work together.

Pictured from left to right are: Bill Grissett, Jr., Greg Phillips, Rebecca Middleton, Johnny Middleton, Hal McCarley, Zack Gibson, Mary Elizabeth Willoughby, Nathan Whitehead, George Bragg, Dale Anderson, and Charles Butler.

Pictured above are students from Ridgeland Elementary School, which is the first stop of the mobile Freedom Shrine display.

THE TRAVELING GAVEL

The "Traveling Gavel", initiated by District President Dwayne Burns as a tool to encourage club visitation, fun, fellowship, cooperation, and interaction between clubs and divisions in the Mississippi District, is starting to pick up momentum around the District. From the Bogue Chitto club it has traveled to Madison County, Oxford, North Jackson, and is currently residing at the Oak Forest Club. Sources close to this Editor are confident that the next stop for the gavel will be Byram. If your club would like to claim the gavel, notify the club where it currently resides of your intentions to visit. Stake your claim to the gavel and let's keep it "traveling."

PEARL CELEBRATES 15 YEARS OF SERVICE

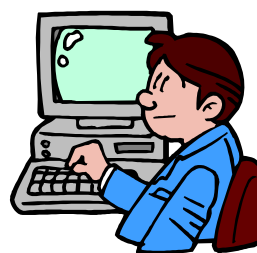

Pictured above are Charter members of the Exchange Club of Pearl who celebrated the fifteenth anniversary of the club on October 23, 2000. Left to right: Charter President Bill Rice, Dean Kirby, Tom Ahrend, and Don Malone. Congratulations!

NATIONAL DAY OF SERVICE

Members of the Exchange Club of North Jackson with the help of Larry Greer of the Downtown Jackson Exchange Club planted flowerbeds at Parham Bridges Park for their National Day of Service project. Fifty chrysanthemums and approximately 250 pansies were used in the planting.
